I would like to thank you all very much for choosing me to be the recipient of the 2012 Nissen/Griswold Athlete of the Year Award. In my entire career of competing in the USTA, I never thought that I would win this, although it was a dream of mine. I have been competing with the USTA for 11 years now, and gymnastics has become a big part of my life. The USTA has given so much to me that I could never be able to thank them enough for all the opportunities that have been given to me. I would never be where I am today if it wasn't for the USTA. Thank you again for believing in me. I look forward to many more years with such a great organization. You are all like family to me.

Garret Waterstradt

I would like to thank the USTA Executive Board for choosing me to be the 212 Athlete Memorial Scholarship recipient. I am honored to receive this very special & meaningful scholarship. As someone who has lost a team member (Natalie Johnson), I understand how important it is to always remember the USTA members who are no longer with us. The scholarship money will be put to good use this fall as I begin working toward my goal of earning a law degree. I also would like to thank Kris' Power Tumbling, all of the volunteers, judges, Executive Board members, and my coaches for making Nationals such a positive experience this year.

Thank you
Danielle Meister

As President of the USTA, as well as all coaches & especially the coaches and members of the Iowa USTA Assoc. Want to take this opportunity to give heartfelt thanks to Vicky & Steve Wilson for all their years of hard work and dedication to furthering these sports in Iowa. For many years, they have put on a meet in Iowa Falls that is well run and has been very successful - a meet Iowa members have always looked forward to. They have also conducted very successful, well run Iowa State meets. We, the coaches & members, look to Steve & Vicky as great role models in the organization and true friends who have always put others especially the kids before themselves. We want to honor Vicky & Steve today, we want to tell you how much we appreciate you and look forward to enjoying your friendship & working with you for many years to come!!

Thank you - Thank you!!
USTA President, Debbie Moser

I just want to THANK ALL of you for your calls, emails, text, facebook, cards. You all mean so much to me! The loss of my Mother has again showed me how much love there is in the USTA. My mom loved going to the meets and cooking for all of you when we hosted meets. I just need you all to know how you have touched my heart not only this past week but in my 25 years in the USTA, never made a lot of money with my gym, but you could take all the love and friendships that I now have and turn into cash, I would have millions. I don't need millions because I have all of you!!!!!!

Thank you my dear friends
Stella Sponsler

Please know how much our family appreciates everything that you do for this organization and all of the kids involved with the USTA. Both of our kids (Kelly and Zach) had a great time at this year's competition in Madison, WI. They also had a lot of fun at the Vitense Golf and the sock hop. Kelly is so proud to be a member of the USTA National Team and is so looking forward to the team trip in Florida. This sport has been a big part of our family's life since 2003, when Kelly first started competing. Thanks again for everything that you do! You have created memories that our family will cherish always.

Kal & Renee Keitel

To all our USTA Coaches/Athletes/Judges/and the many Families who support us all so very well!!!!

First I want to thank the COACHES who dedicate their lives to make sure their athletes have the opportunities they have and dedicate their lives to make sure the athletes keep on striving to be the very best they can be. By you giving them all of these experiences they are becoming a more rounded person.
