

TRAMPOLINE & TUMBLING

The United States Trampoline & Tumbling Association (U.S.T.A.) was established in 1970 and hosts the largest trampoline and tumbling National Championships in the country. The membership continues to grow and spread in new areas yearly. National competitors range in age from 3 to 28 and in ability from beginner to elite.

Mission Statement

To provide a competitive national venue for all trampoline and tumbling athletes in the United States regardless of national or international affiliation(s). In doing so, it is the mission of this USTA Trampoline and Tumbling Association to enhance the physical, mental, and moral development of its' amateur athletes and to promote good sportsmanship, good citizenship, and safety.

"The U.S.T.A. has continually grown and I see no reason for that to change in the future. Our programming is outstanding, our leadership a constant, and given the cost of a membership, we are far and away the "best deal" in the sport!"
