MR. V. MEMORIAL SCHOLARSHIP

The \$500 Mr. V. Memorial Scholarship was established in 2016 in memory of Glenn Vandergriff. Glenn was a member of the USTA for over 30 years. He served on the USTA Executive Board as the Recording Secretary from 2000 - 2008.

As a school teacher for 35 years and a gymnastics coach for over 40 years, Glenn Vandergriff made an impact on thousands of young lives through the power of education. That being said, Glenn recognized that education comes in all forms and that "an education" may look different from individual to individual. Rather it be going to college, taking a gymnastics class, attending a conference, going to trade school, or enlisting in the military, Glenn used to say, "I don't care what you do, as long as you are learning new things to better yourself and others - That's what matters." Humble in his approach, Glenn was great at developing talent and teaching his students to transfer the skills and life-lessons learned in the gym to the real world. Many of his students have gone on to be very successful adults, and they maintain that much of their success came from the values instilled in them by Glenn, Vandergriff Gymnastics and the USTA.

His club, Vandergriff Gymnastics, is located in Cincinnati, Ohio, and is still active in the USTA.

Scholarship nominees must:

- ☆ Be a graduating high school senior or current college student**
- ☆ Have competed in the USTA for at least 3 years and exhibit long-term dedication to not only the sport, but to the organization Glenn cared so much about**
